Dear Jose,

After careful deliberation and much consideration by the ITU Executive Board at its meeting in France on November 28-29, I am pleased to announce that the Board voted to award the city of Pontevedra the 2019 ITU Multisport World Championships.

Given Pontevedra's history of welcoming fantastic triathlon events and the Spanish Triathlon Federation's commitment to organising excellent races, we felt strongly that Pontevedra presented the best bid.

We are looking forward to working with you and the LOC in preparation for this celebration of World Championship races.

Kind regards,
