Pontevedra is a medium seaside city located in the Northwest of Spain with a pleasant climate and average temperatures of 27° during the championship days. It is the tourist capital of the Rias Baixas coastal area and it offers an excellent mix of beaches, coast, small towns, cities, culture, food, wine... and sports. We are 40 minutes away from the historic city of Santiago de Compostela, 90 minutes away from the cosmopolitan Portuguese city of Porto (and its airport which has many low cost flights) and 20 minutes from the impressive maritime and terrestrial National Park of the Atlantic Islands of Galicia.

Don't forget to start making plans for the ITU Multisport Festival, the biggest triathlon event in 2019 (World Championships of Cross Triathlon, Duathlon, Long Distance Triathlon and Aquathlon). Don't miss it! Take part!

We have extensive experience in organizing sports at an international level such as Duathlon, Hockey and Skating World Championships and World Cups... as well as Triathlon, Canoeing, Archery, Table tennis European Cups and numerous Championships... and countless Gymnastics, Canoeing, Athletics, Basketball Championships. Pontevedra is also the place in where a lot of Olympic champions train and live including the world famous triathlete Javier Gomez Noya.

We are really looking forward to see you in Pontevedra 2019!
